PHILADELPHIA, PA

SPONSORSHIP OPPORTUNITIES

OVERVIEW

01

Join Red Letter Christians, RAWtools Philly, the National Peacemaker Association, and partners from across the country for the 3rd Annual Peacemaker Summit.

At this year's Peacemaker Summit, participants will hear from people on the front lines of peacemaking who are working every day to interrupt violence in our streets, neighborhoods, schools, and communities. Together, we will learn from experienced practitioners, community leaders, faith leaders, artists, violence interrupters, and organizers who are building safer and more just communities.

The Summit will feature inspiring keynote speakers, live music, practical workshops, and hands-on demonstrations focused on peacemaking, restorative justice, conflict transformation, and community safety.

Participants will engage in:

- Kingian Nonviolence training
- Restorative justice practices
- De-escalation and conflict transformation
- Public witness and grassroots organizing
- Community violence prevention
- Hands-on demonstrations with RAWtools Philly, transforming weapons into tools for healing and hope
- Worship, music, storytelling, and community-building
